2006 Creditable Coverage Notice From The Parkland Employee Health Plan About Your Prescription Drug Coverage And Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the Parkland Employee Health Plan and prescription drug coverage available for people with Medicare. It also explains the options you have under Medicare prescription drug coverage and can help you decide whether or not you want to enroll. At the end of this notice is information about where you can get help to make decisions about your prescription drug coverage.

- 1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare through Medicare prescription drug plans and Medicare Advantage Plans that offer prescription drug coverage. All Medicare prescription drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.**
- 2. The Parkland Employee Health Plan (PEHP) has determined that the prescription drug coverage offered by PEHP is, on average for all plan participants, expected to pay out as much as the standard Medicare prescription drug coverage will pay and is considered Creditable Coverage.**

Because your existing coverage is on average at least as good as standard Medicare prescription drug coverage, you can keep this coverage and not pay extra if you later decide to enroll in Medicare prescription drug coverage.

Individuals can enroll in a Medicare prescription drug plan when they first become eligible for Medicare and each year from November 15th through December 31st. Beneficiaries leaving/dropping employer coverage, such as the PEHP, may be eligible for a Special Enrollment Period with Medicare, to sign up for a Medicare prescription drug plan.

You should compare your current coverage, including which drugs are covered, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area. Please be advised, you can keep the PEHP medical/prescription coverage, even if you elect Medicare Part D. If you choose both, the PEHP will coordinate with Part D coverage.

You should also know that if you drop or lose your coverage with PEHP and don't enroll in Medicare prescription drug coverage after your current coverage ends, you may pay more (a penalty) to enroll in Medicare prescription drug coverage later.

(Continued on other side of page)

If you go 63 days or longer without prescription drug coverage that's at least as good as Medicare's prescription drug coverage, your monthly premium will go up at least 1% per month for every month that you did not have that coverage. For example, if you go 19 months without coverage, your premium will always be at least 19% higher than what many other people pay. You'll have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following November to enroll.

For More Information About This Notice Or Your Current Prescription Drug Coverage ...

For further information, contact Marnese Elder, Health Plan Administrator, in the Parkland Benefits office at 214.590.8330. **NOTE:** You will receive this notice annually and at other times in the future such as before the next period you can enroll in Medicare prescription drug coverage, and if this coverage through the PEHP changes. You also may request a copy.

For More Information About Your Options Under Medicare Prescription Drug Coverage ...

More detailed information about Medicare plans that offer prescription drug coverage is in the **Medicare & You** handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare prescription drug plans. For more information about Medicare prescription drug plans:

- Visit www.medicare.gov.
- Call your State Health Insurance Assistance Program (see your copy of the **Medicare & You** handbook for their telephone number) for personalized help.
- Call 1.800.MEDICARE (1.800.633.4227). TTY users should call 1.877.486.2048.

For people with limited income and resources, extra help paying for Medicare prescription drug coverage is available. Information about this extra help is available from the Social Security Administration (SSA) online at www.socialsecurity.gov or via the phone at 1.800.772.1213 (TTY 1.800.325.0778).

Remember: Keep this notice. If you enroll in one of the new plans approved by Medicare which offer prescription drug coverage, you may be required to provide a copy of this notice when you join to show that you are not required to pay a higher premium amount.
